

United States District Court for the Eastern District of Virginia 701 East Broad Street Richmond, VA 23219	Miscellaneous Case # <b>3:24mc6</b>
In Re; <b>Redemption of Phillip Sherrod</b> <i>On and for the behalf of the</i> UNITED STATES	
<b>NOTICE OF GARNISHMENT - RULE B(1)(c)</b>	

COMES NOW, Phillip Sherrod of the family GRAVES and Redeemed. Demand is made for redemption of central banking currency in Lawful Money in all transactions pursuant to Title 12 USC §16 of the 1913 Federal Reserve Act. Service to the agent is service to the principal and vice Versa. The law is clear – one must make demand for lawful money clear to the Treasury of the United States.

Dear Clerk of Court:

Please find USPS Money Order #28648974071 for \$52. Prevalent deviant oaths of office prescribe exigent circumstances, judicial review is impracticable. Rule B(1)(c) allows for garnishment actions against Janet Louise YELLEN and her agents. Chapter 101 of Title 18 of the US Code, in particular §2076 protects against any diversion or obstruction of the publication process, PACER, of this Document in full. Social Security numbers have been redacted on the rendition to be published on PACER but the original mailing presentment, refused for cause is mailed directly and timely to garnishee Scott BESSANT as Presenter. In most cases services to

the agent is enough. Presently it is determined that Notice of Demand for Lawful Money shall be upon the Secretary of the Treasury in his capacity as United States Governor of the International Monetary Fund. Please file this Refusal for Cause on this recent 3176C Letter.

Thank you in advance for your professionalism.

As Instructed in the 3176C Letter, my signature below verifies I have inquired online of Publication 2105 and Notice 2010-33 looking for any Material in support of the Frivolous Penalty arguments in the 3176C Letter. Nothing can be found in either citation that applies to redeeming lawful money in order to secure redeeming the mind from the rigors of debt and central banking in general. If it were possible to legally interfere with my demand for redemption, I feel strongly that Congress would have repealed or amended Title 12 USC §411 long ago so as to avoid any confusion. It is a difficult burden to lay upon me, that I have to correct my tax return when it is already correct.

Phillip Sherrod is fully prepared to prove that judicial review is impracticable (E(4)(f) hearing) through deviant oaths of office. Included and fully integrated is a request for the oath of office of Mark Steven DAVIS; Chief Judge. Amidst the specificity required of trained attorneys and judicial officers changing "So help me God" to "SO HELP ME GOD" is strong evidence of fraud.

The law says that all that is required of me is "They shall be redeemed in lawful money on demand at the Treasury of the United States..." And so it is.

A handwritten signature in black ink, appearing to read "Phillip Sherrod", written over a horizontal line.
